May 1, 2017

Come to School **READY** to Learn!

## New! California Accountability

Based on the [Local Control Funding Formula \(LCFF\)](#), which was passed in 2013, California has a new accountability system that is based on multiple measures. These measures are used to determine local educational agency (LEA) and school progress toward meeting the needs of their students. The measures are based on factors that contribute to a quality education, including high school graduation rates, college/career readiness, student test scores, English learner (EL) progress, suspension rates, and parent engagement.

The sweeping overhaul of California's Accountability and Continuous Improvement System, ushered in with the 2013 passage of the LCFF, not only gives California a chance to address historical inequities, but provides the CDE an opportunity to address and update the way we engage and work with one another to better support California's schools and the students they serve.

Performance on these multiple measures will be reported through the new [California School Dashboard](#) (Dashboard), coming March 2017. The new accountability system reflects a clear expectation that all LEAs and schools can and should improve and emphasizes equity by focusing on student group performance. This new multiple measures system replaces the former Academic Performance Index (API), which was based solely on testing results, and the federal requirement to calculate Adequate Yearly Progress (AYP).

LEA and school performance in the ten LCFF priority areas are measured using a combination of state and local indicators.

Field Day: Out at 12 noon**

## Important Numbers

Main Office: 865-2266

FAX: 865-9356

20700 Foothill Drive

Monte Rio, CA 95462

## May Birthdays!

Robert Logan	5/3
Gage Dorough	5/4
Christopher Lewis	5/9
Myri Glentzer	5/16
Ellie Stearn	5/17
Michael deck	5/20
Anthony Leete	5/23
Kai Sweeney	5/31

The Tiger Four Square Tournament for the middle school has ended with some new players entering the competition. First place was won by Aiden Halstead, second, Myri Glentzer, third Deojy Brock, and fourth place winner was Ellie Stearn. It was an excellent competition, however, the best part was how kind all the contestants were to each other. Once, again Monte Rio students showed just how special our small school family can be when good sportsmanship is necessary to make others comfortable at Monte Rio.

**IT'S AMAZING**  
HE FOUGHT CANCER AND WON!

LEUKEMIA & LYMPHOMA SOCIETY\* | **STUDENT SERIES**

**Be amazing.**  
Collect change and help save lives.

**ROEL**  
Leukemia survivor

Monte Rio Students will be fundraising for the Leukemia and Lymphoma Society starting on **Monday, May 1 through Friday May 12<sup>th</sup>**. Every penny counts! Our kickoff assembly was Tuesday, April 25<sup>th</sup>. Please feel free to join us for this great fundraising event. Our target goal is \$1000. You can also spread the word and direct friends and family to the school fundraising account at <http://events.lls.org/pages/gba/Monte-Rio-Elementary-School-2017>.

### OFFICE NOTES:

Please pick up your lost and found in the courtyard!

School lunch account statements are coming out this week. Sorry for the delay.

**CAUTION:** Please slow down in our neighborhood! Children are headed home or neighbors are out enjoying the day.

On **July 27th the 106th Annual Monte Rio Variety Show** will be held at the Amphitheater. This year some transitions are being made which affect all the beneficiaries. Specifically, the production of the show will be our responsibility. This is not a new change but rather the gradual move of support from the Bohemian Club (as an entity) to individuals within the membership to support our community with their talents and resources.

Our show will continue the world class talent and production quality thanks to the donations of the members who visit our community each year in July.

To give some specific in sight on the changes, the transport of the talent and production crews from the Grove to the Amphitheater will be our responsibility. Fortunately, a generous donation of three vans was arranged with Henry Hansel a few months ago to accommodate this change.

As beneficiaries, we all need to pool our talent and resources to make this even successful. We all need to be ambassadors for the show and engage efforts to improve paid attendance. Toward that end, we would like to make sure all school parents receive a paper and electronic Save the Date announcement in late April and again before school dismisses for the summer.

As in the past, the school will host the task dessert bar, support clean up, booth construction and provide help for the raffle. While it may seem that the harvest is plenty and the laborers are few, each beneficiary (fire department, church and school) has received over \$80,000 in the past six year period. Behind the scenes there is a task list that begins each January, attending to the details ranging from facility rental to seeking donations for event day and raffle to compiling volunteer lists.

As you realize, all tasks big and small are accomplished by the efforts of volunteers.

This year we will be getting some advertising on local radio stations (Rockin' the River), signage with the electronic board at the entrance to Guerneville, and support for our even through PSAs (*Public Service Announcements*) in print and radio.

**Adult tickets are \$30, youth (13-17) are \$15. our goal is twofold - present and evening of fine and varied entertainment and distribute \$20,000 to each beneficiary. To do this we need to have close to 2,000 in attendance.**

Look forward to working again with all the volunteers on this endeavor. As Monte Rio School's motto says "Winners never quit and quitters never win." Our community is the big winner of this even and it deserves our best winning efforts for the 106th time.

With Respect,

Michele

(Letter submitted to the  
school board on April 20<sup>th</sup>, 2017)

---

---

What a Day! Thank you everyone for coming out and working in our garden! Not only did we get a lot done, we also had a great al fresco meal with a BOSS cook! Several students worked in a team challenge for the longest ivy pull, with Ellie and Amrita winning with 96.75 FEET of ivy vine.
